

Lights! Camera! Autism! Book Study

“Using Video Technology to Enhance Lives”

Join Sharon Hammer (co-author) and Deb Muskett for book discussion and intervention support.

This is an amazing opportunity to learn first hand about the latest in autism interventions. As an additional opportunity, Sharon Hammer will be doing a presentation at CESA #12 on March 5, 2020, Supporting Students with Autism and Beyond!

Take advantage of this unique opportunity to work with Sharon in Northern Wisconsin!

Zoom Meetings:

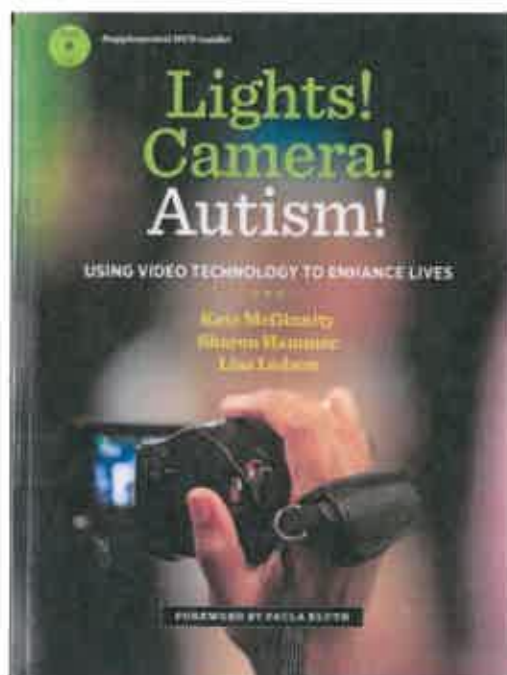

January 16, 2020
February 27, 2020

Blog Postings:

January 13, 2020 to March 5, 2020

These videos offer an innovative way of training people with special needs to encounter new situations.

There is something powerful that happens when the brain gets to watch the body doing something right.

This book will help educators and parents alike, and support an environment that is proactive and based on each individual's strengths and needs. The solutions are proven to be successful.

This is an outstanding book for everyone who knows someone on the spectrum. It explores how people with autism learn and how we can adapt to help.

DEADLINE FOR REGISTRATION: DECEMBER 13, 2019
